

Location and Access

Barefoot Manta resort is located on Drawaqa Island, part of a central group of the Yasawas islands. A 3-hour scenic ferry transfer from Nadi & Denarau, the resort is serviced daily by South Sea Cruises/Awesome Adventures Fiji departing from Port Denarau with connections from other Yasawa properties. Private transfer options include seaplane and helicopter.

Climate

Tropical climate with average daily temperatures around 32°C (92°F) in Spring/Summer (Sep-Feb) and average daily temperatures around 27°C (82°F) in Autumn/Winter (Mar-Aug). Due to its westerly location The Yasawas has the lowest rainfall in Fiji.

This includes breakfast, lunch & dinner, Wi-Fi access and use of non-motorised water sports (excludes diving). Breakfast and lunch are buffets with an a la carte dinner.

A weekly event stunning sunset dining

Marine Centre

Unique to Barefoot Manta is a Marine Centre. It is used for the resort's ongoing conservation programme including manta ray research and coral regeneration. The resident marine biologist hosts daily presentations for houseguests and it is popular facility for both university and school groups.

Activities & Experiences

There are marked walking tracks around Drawaqua Island, some offering spectacular stunning views of the Yasawa islands and the surrounding waters. Snorkelling equipment, kayaks, stand up paddles boards and scheduled daily activities e.g. Fijian Medicine Walk are offered for all houseguests. Barefoot Kuata offers exceptional marine activities and is renown for its snorkelling with Manta Rays experience May-Oct.

The resort has a dive shop offering popular introductory dives, certified dives and SSI open water dive courses.
